

## Mapping Scotland's Disability Sector

The mapping project concentrates upon identifying and logging groups and organisations within Scotland that;

- were set up to represent and/or work for and with disabled people
- provide services and support primarily for disabled people

We are keen to record the details of all disability organisations including small and new organisations that may be missing from existing directories. Please enter the details of the disability group/organisation you represent on this page. Organisations/groups should enter their details only once.

Thank you
