

We care

Annual Review 2016

At Quarriers, we care about the issues that people we support face. We care about helping every single person we support to reach their true potential.

Inclusion

Inclusion plays a crucial role in the work that we do. Over the past year, we have supported people to participate in a wide range of initiatives and activities including premiering a drama about their experiences of disability hate crime.

Fundraising

Among our packed calendar of events, our second Ladies Lunch raised over £14,000 and our 22nd Noel Lunch raised £80,000, while our Summer Appeal won Fundraising Campaign of the Year at the Charity Champions Awards.

In 2016, Quarriers was shortlisted for eight awards, winning three.

Volunteering

Quarriers currently works with over 300 volunteers, each of whom give their time and share their unique skills to help us to change lives.
